HS Large Group Adjudicated Event

March 9th & 10th, 2012

January 2nd, 2012

District 2 OMEA Directors,

The time is upon us to begin planning for the High School Large Group Adjudicated Event, which will be hosted again this year in Oak Harbor by the Benton-Carroll-Salem School District. Performance stages for this event will be at Oak Harbor High School and Oak Harbor Middle School, which are conveniently located less than 1 mile from each other.

Enclosed, please find a copy of the pre-registration form. ***An online form is now available to fill out as well!*** Save yourself a stamp or a fight with the fax machine, and submit it instantly on the District 2 Website, d2omea.org. It is ***extremely important*** that you fill out this form as soon as you can. ***Please return this form by January 21st.*** Preliminary scheduling for this event will begin in late January, and future correspondence regarding this event is dependent on the form being returned. If the form is not returned, you will not receive an application and other mailings regarding the event.

Requests for performance times will be honored in the order that they are received, based upon the date submitted online, postmarks, or fax dates, and in accordance with our building availability. I will do as much as I can to accommodate your requests. Schools with multiple groups should spread out their time requests to make the scheduling process easier. We can not guarantee that all specific requests will be honored, but early returns will help get you within the time frame you request. Also, it is extremely helpful if groups that share band and choir students work together on your requests to avoid conflict.

Please be prompt with this and all deadlines in general. Please obtain and read the OMEA Rule Book concerning this event so that we can avoid any problems.

PLEASE NOTE: As a reminder, any group performing at contest MUST supply 3 SD Cards, as the adjudicators are no longer using tapes and DO NOT provide these cards. These cards can be purchased at many office supply, electronics, and discount stores, and are reusable from year to year. Make sure you purchase SD cards, not SDHC, Mini-SD or Micro-SD. This is very important for compatibility with some of the recorders that the adjudicators use. Please contact me if you have any further questions regarding this requirement and I will be happy to help!

Oak Harbor is happy to host this year's Large Group Contest, and we hope to make this event both fun and rewarding. Thank you in advance for your attention and timeliness.

Sincerely,

Travis Magoto
